# ABOUT US

## ABOUT US

Started in 1990 as a mechanical workshop, Singh & Co, over a period of more than a decade, has strived hard to establish itself as a renowned Engineering company, having a wide range of Manufacturing, Fabrication and Machining activities. The Company's entrust on Customer Care and Continuous improvement has rewarded it with the most credible companies in Oman.

The Company's new facility is equipped with the latest state-of-art CNC and high-end Machining and Fabrication Machineries to fulfill the ever growing engineering demands of its trustworthy customers

Customers requirements are studied in detail and the job is carried out with the 'Value addition' concept at each stage of the job. The customer satisfaction level of Singh & Co can be gauged by the fact that approximately 80% of our business are repetitive in nature.

The Company, under the guidance of its well-experienced management and competent work force, has successfully undertaken and commissioned any turn-key projects for some of the most renowned, internationally acclaimed, PDO customers in Oman.

# OUR PRODUCTS

## OUR PRODUCTS
